NYSDEC Environmental Education Camp Sponsorship Application

The Genesee Finger Lakes Chapter Education Committee has instituted a program through which the chapter will sponsor local children to attend the New York State Department of Environmental Conservation's ("NYSDEC") Environmental Education Summer Camp Program. Information about the camp program is available at <http://www.dec.ny.gov/education/29.html>. The AWMA sponsorships are open to children who will be between the ages of 11 and 17 at the time of the Summer Camp. Sponsorships will be granted based on the recommendation of the Chapter Education Committee and approval of the Chapter Executive Board.
