## January 2018 CHAPTER MEETING

### Energy Reduction Initiatives

- Speaker:** Rick Wohaska – Technical Director, Strategic Energy Services Practice, ERM
- Where:** Burgundy Basin, 1361 Marsh Road, Pittsford, NY  
(585) 248-2660 <http://burgundybasin.com>
- When:** Noon, Wednesday January 17, 2018
- Cost:** Pre-registration - \$20 members, \$25 non-members  
Onsite - \$22 members, \$27 non-members

Mr. Wohaska is a registered Professional Engineer who is also a Certified Energy Manager International with more than 30 years' experience in energy efficiency, renewables and climate mitigation strategy. He serves as Technical Director within ERM's Strategic Energy Services practice and has worked in over 30 countries providing energy efficiency advisory services. His presentation will review ERM's 'QUEST' methodology for resource efficiency and strategic energy management, followed by a brief overview of several industry specific case studies that illustrate the value proposition for these programs across an array of industries.

**IMPORTANT: RSVP**

Please register online at <https://gflawma.wildapricot.org> on our "Events" tab by Friday, January 12, 2018 to get the pre-registration price.
